1. Between 30 and 40 enlisted men wearing black-bordered blue shoulder boards are stationed at the Trauersdorf airfields.
2. No aircraft was observed at the airfield.
3. All installations at the airfield appear to be in a state of bad repair, particularly the drainage system. A large underground fuel tank was dug up and taken to Wiener-Neustadt according to local residents.
4. Vehicles from the Eisenstadt driving school are frequently observed in training activity at the airfield. Two trucks were parked in an empty hangar.
5. Two antennas located next to the airfield buildings are shown in the rough sketch below:
